Product Care

Special Tomato Products are impermeable to fluids, but do not submerge. Use a mild detergent/cleaner to wipe the chair periodically. To extend the life of the hook and loop strips, comb out the hook portion (hard side) to remove lint and other debris.

Notice

Use only Special Tomato accessories and parts on Special Tomato products. Special Tomato parts are not interchangeable with other manufacturers' products. Replace any worn parts immediately for safety. © 2010 Bergeron By Design.
